

We are excited to see you here at the Drift Spa! As always, we strive to provide the total spa experience with tranquility for our guests. To do this in the safest manner while keeping the health of our guests and employees the number one priority we have outlined these guidelines and expectations.

Guest General Guidelines and Information

Health Concerns:

- Employees and guests not feeling well are asked to stay home and follow CDC guidelines.
- We suggest vulnerable individuals per the federal recommendations take special precautions and / or consider not visiting our facility at this time.

Upon Appointment:

- Appointments are scheduled to avoid as much guest-to-guest contact as possible.
- If a customer is more than 15 minutes late for their scheduled service, the service will be cancelled.
- Clients needing to cancel on the day of appointment will have an opportunity to reschedule 2 weeks out where there is availability.
- We ask that any additional guests visiting the spa wait in the hallway lobby while spa client is in service.
